Secretary, MERC

REQUIRES
REGULATORY OFFICERS
(TECHNICAL/FINANCE/RENEWABLE ENERGY)

The Maharashtra Electricity Regulatory Commission (MERC) was established on August 5, 1999 under the Electricity Regulatory Commission Act, 1998. The said Act was superceded by Electricity Act (EA), 2003. The Commission has continued to function under Section 82 of the Electricity Act, 2003, wherein the role and functions of the Commission have been elaborated. The functions of the Commission are quasi judicial, quasi legislative and executive. A copy of the Electricity Act, 2003, Regulations notified by the Commission, Orders released till date by the Commission and other related information is available on the MERC's website www.mercindia.org.in.

For discharging its functions the Commission carries out work/activities related to Technical/Finance/Renewable Energy tasks. The Commission intends to appoint "Regulatory Officers (Technical/Finance/Renewable Energy)" for the office of the Commission.

The Commission is inter alia mandated to deal with the following Technical/Financial/Renewable Energy matters:-

Technical & Financial Matters

- Evaluation and approval of Annual Revenue Requirement (ARR) and Determination of Electricity Tariff/Multi Year Tariff chargeable to the consumers by the Distribution Licensees, Transmission Licensees and Generation Companies;
- Vetting of Fuel Adjustment Charges (FAC) and examining the capital expenditure (CAPEX) proposals of Distribution and Transmission licensees;
- Proposal regarding procurement/purchase of power;
- Determination of Tariff and Regulations for Renewable Sources of Energy;
- Promotion of Co-generation and generation of electricity from Renewable Energy Sources;
- Load Shedding Protocol;
- Demand Side Management (DSM);
- Demand Forecasting.

Renewable Energy Matters

- a) Preparation of Orders related to Renewable Energy Source:
- Wind Energy
 - Biomass
 - Small Hydro
 - Bagasse based Co-generation

- Municipal Solid Waste
 - Solar
 - And Any other specific technology approved by MERC
- b) Data Collection related to Renewable Energy.
- c) Preparation of replies for MoP, FoR, CERC, GoM, etc related to Renewable Energy.
- d) Preparation of Presentation for the Commission on Renewable Energy.
- e) Any other work assigned by the Commission from time to time

The methodology for carrying out the above tasks would inter alia include examination of the proposals received from the Distribution/Transmission Licensees. Generating Companies, Generator of Renewable Energy and to make suggestions/recommendations to the Commission in the matter. The work assigned to the Regulatory Officers (Technical/Finance/Renewable Energy) will be required to be done by them independently under the guidance of experienced officers / consultants of the Commission.
