ORDER

Dated: November 26, 2010

The Maharashtra Electricity Regulatory Commission (Commission) issued an Order dated November 30, 2009 in Case No. 31 of 2009 in the matter of Maharashtra State Electricity Distribution Company Ltd. (MSEDCL)'s Petition for determination of Additional Supply Charge for withdrawal of Load Shedding in the Headquarters of Revenue Divisions in MSEDCL Licence Area .

2. The Order in the above matter is applicable for a period of 12 months, from December 1, 2009 to November 30, 2010.

3. Recently, MSEDCL in Case No. 76 of 2010 submitted a Petition under affidavit on November 1, 2010 seeking continuation of Zero Load Shedding (ZLS) in the Headquarters of Revenue Divisions in MSEDCL Licence Area by continuation of Order dated November 30, 2009 in Case No. 31 of 2009.

4. On preliminary examination of the Petition, the Commission has found that certain additional data is required to be submitted by the MSEDCL as a part of above said Petition. MSEDCL will require additional time for submission of said data, but applicability of Order dated 30th November, 2009 is only up to 30th November, 2010.

5. As the said Order dated 30th November, 2009 was issued after hearing various stakeholders throughout the State of Maharashtra and after recognising their support for ZLS model, non-continuation of the said model by efflux of time will make consumers suffer Load Shedding. **Hence, in public interest, the Commission extends the applicability of the aforesaid Order dated November 30, 2009 in Case No. 31 of 2009 for a further period of three months i.e., with effect from December 1, 2010 to February 28, 2011 or till the final Order in Case No. 76 of 2010 is issued, whichever is earlier.**
